

## Sunday School Registration Fall 2008

It is time to begin Sunday School registration for next fall. If you would like your child(ren) to attend Sunday School, please list their name and what grade they will be in school in Fall '08.

We welcome all children as young as 3 in the pre-school class and up through 8th grade in the middle school class. Having an accurate registration will ensure we have the right amount of materials for each class - So PLEASE register your child(ren)!

## Sunday School Teacher Volunteer

Our children need you! Please consider joining a team of Sunday School Teachers. No experience necessary. Materials and guides will be provided, along with a beginner's meeting before Sunday School starts up in the fall. The goal is to get 3-4 adults for each class (if there are 4 adults per class, then you only teach about once/month). We would also like assistants/helpers in the younger classrooms as well as "sub" list we can call on if necessary. If any of these positions interest you please fill out and return. Sunday School will begin Mid September '08 and run until Mid-May of '09.

If you have ANY questions please contact me,
